Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Saturday 05 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Much drier and sunnier on Saturday.

Today:
Any early mist and low cloud clearing through the morning leaving a dry day with long sunny periods. Feeling warm inland with light winds. Sea breezes keeping things slightly cooler along North Sea coasts. Maximum temperature 24 deg C (75 deg F).

Tonight:
Staying largely fine and dry overnight with clear periods. Becoming cloudier later in the night with some patchy rain, mainly in western parts. Feeling rather humid in towns and cities. Minimum temperature 12 deg C (54 deg F).

Sunday:
Rather cloudy early on with a little rain in places. Bright or sunny spells developing by the afternoon with showers breaking out, some heavy and perhaps thundery. Light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Remaining warm with plenty of fine, dry weather and light winds. The greatest risk of daytime showers on Monday and Tuesday, some heavy. Coastal mist and low cloud at times.
